

March 10, 2018

Dear LFMC Members,

Attached is the official call to the 90th Annual LFMC Convention April 7, 2018. The Convention co-chairs and the committee have been working to provide a wonderful program for you. The theme of the Convention is "We are Music!" The program for the Convention is attached.

We have placed the Convention on a Saturday to enable piano teachers and students to attend. The "headliners" for the program will be The Happy Dog Duo Pianists, winner of the NFMC Young Artists Ellis Duo Piano Competition for 2017. Eric Tran and Nathan Cheung will also be giving a duet masterclass for juniors following their recital Saturday afternoon. This will be an outstanding opportunity for teachers and students from around the state. We have arranged for a special entrance fee for parents and students who attend only the recital and masterclass.

We are looking forward to seeing you Saturday April 7th. See the special hotel rate for those who plan to spend Friday night in Metairie. Please encourage other members to join us for this event. If you have questions, please contact me at gwenredding@cox.net or ph. 225-766-1671.

A handwritten signature in black ink that reads "Gwen Redding". The signature is written in a cursive, flowing style.
